Some More Information

From the moment you step inside, the property offers a layout that feels both practical and welcoming.

The sitting room provides a comfortable space to relax, flowing naturally through to a separate dining room which offers flexibility for entertaining, family meals or those working from home.

Positioned to the rear, the kitchen has been fitted with a range of contemporary eye and base level units, providing excellent storage and preparation space alongside direct access into the rear garden.

Upstairs, both bedrooms are genuine doubles, allowing flexibility for a variety of buyers. The principal bedroom benefits from built-in storage, whilst the spacious bathroom is particularly impressive, offering both a full-sized bath and separate shower enclosure - a feature often difficult to find within homes of this size.

Throughout, the property has been well maintained, allowing the next owner to move straight in whilst still presenting an opportunity to personalise and make the home their own over time.

Location

New Town remains one of Colchester's most convenient residential locations, placing many of the city's amenities within comfortable walking distance.

Colchester Town railway station provides regular services to London Liverpool Street, making the property particularly appealing to commuters, whilst Colchester City Centre offers an excellent selection of shops, restaurants, cafés and leisure facilities.

Castle Park, local schooling and everyday conveniences are all close by, allowing buyers to enjoy the benefits of city living without relying on the car for day-to-day life.

Externally

The rear garden has been designed for easy maintenance, allowing more time to enjoy the space rather than maintain it.

A paved seating area provides an ideal setting for outdoor dining or relaxing during the warmer months, complemented by an artificial lawn that remains attractive throughout the seasons.

Gated side access returns to the front of the property, whilst unrestricted on-street parking is available nearby.
