There are also main line train routes from either Poole or Bournemouth railway stations which connect the Weymouth to London Waterloo South West train service.

Property Comprises

Set within an attractive period residence on the highly regarded West Overcliff Drive, this substantial duplex apartment offers well-balanced accommodation arranged over two floors, combining strong proportions with character features throughout.

The ground floor centres around an impressive dining room, forming the main hub of the home and linking naturally through to the principal living space. Both rooms benefit from high ceilings and bay windows, creating a light and open feel suited to both everyday living and entertaining. From the dining area, a conservatory provides an additional reception

space overlooking the garden, with a separate utility room positioned off. The kitchen is set to the rear, fitted with a range of units and well positioned within the overall layout. Upstairs, there are three bedrooms, including a notably generous principal room. Two of the bedrooms benefit from their own en suite facilities.

Externally, the property enjoys a private and established garden, laid to lawn with mature planting and seating areas. This provides a rare level of outdoor space for a property of this type and setting.

West Overcliff Drive is one of Bournemouth's most established addresses, positioned between the town centre and the coastline, with direct access to the clifftop, beaches and a wide range of amenities.
