107 Mongeham Road

Great Mongeham, Deal

A charming and well-cared-for cottage, offering deceptively spacious accommodation, off-street parking, and the convenience of a garage and workshop.

Situation

107 is positioned on the corner of St Richard's Road and Mongeham Road running through the centre of the village of Great Mongeham. The village lies on the edge of the beautiful North Downs and has a church, community hall, village green and two inns. The lovely historic towns of Sandwich and Deal are both close to hand, Deal town centre being just two miles away. This traditional coastal location has a pleasing mix of individual shops, restaurants and cafes, together with a bustling seafront where you will find a two-mile promenade, Grade II Listed pier and Tudor Castle. The mainline railway station offers a regular service and links to the Javelin high speed to London St Pancras.

The Property

This well-presented home combines character, space, and comfort, having been lovingly maintained by the current owner for over 40 years. Upon entering through the entrance vestibule into the reception hallway, you'll find an accessible lift conveniently installed to provide easy access to the first floor. Adjacent lies a welcoming sitting area to the front, with a subtle separation from the dining room opposite. From the dining room is a useful ground floor cloakroom. To the rear of the property is a spacious kitchen/breakfast room, fitted with a range of contemporary units and integrated appliances. From here, a door opens out to the rear patio and parking area plus the exterior laundry room. Stairs lead to a landing serving three bedrooms, two of which are doubles. Part of the landing is currently used as a dual aspect study area, and there is also a family bathroom suite.

Outside

The rear patio and parking area, accessed via a five bar gate, offers a practical and low-maintenance outdoor space with the additions of a single garage and a workshop nestled in the corner complete with electricity and light. The neighbouring property has vehicular right of way in order to access a separate garage.

Services

All mains' services are understood to be connected to the property with the addition of Solar Panels.
