Old House Lane is a cul-de-sac of just 10 properties which is located off Rocky Drive which, in turn, is off Rocky Lane on the town's southern edge forming part of Crest Nicholson's recently completed 'The Beeches' development. There are several cycleways and pedestrian walkways linking with the town centre, hospital and Bolnore Village with its excellent primary school, woodland and Village Square. Countryside is also close by. Some residents find it easier to use rail services from Wivelsfield station on the northern edge of Burgess Hill which is just 2 miles away as there is good free parking and more chance of getting a seat in the morning rush hour. Haywards Heath is a similar distance and provides fast commuter services to London. The town centre has an extensive range of shops, restaurants, cafes and bars. There is a leisure centre, numerous sports clubs, golf clubs and several beauty spots including both Ditchling and Chailey Common nature reserves, the Ashdown Forest, the 180 acre Ardingly Reservoir and the South Downs National Park. There are numerous primary and secondary schools locally and some excellent independent schools within the district and which run a school bus service. By road, access to the major surrounding areas can be swiftly gained via the A272 (Rocky Lane) and the A/M23 which lies approximately 5 miles to the west at Bolney or Warninglid.
