A quite beautifully presented period detached family home, with almost 2100sqft of accommodation, located perfectly for both Brentford and Northfields.

The property blends contemporary design and period character seamlessly, with accommodation on the ground floor comprising a welcoming hallway, two spacious reception rooms, a reading room, downstairs family bathroom, a stunning kitchen/diner (with bi-fold doors leading out to the garden) and a utility room. Upstairs, there is a landing, another bathroom and four well proportioned bedrooms with one of the double bedrooms having a further room off of it - ideal as a nursery or large dressing area. This one of a kind family home already offers so much for growing families, but it has even more extension potential (subject to permission) with a large loft space and a basement.

Outside, to the front, there is gated off street parking, whilst to the rear, there is a beautiful garden perfect for entertaining with two seating areas and a large lawn. There is also a large garden room which could be a gym, games room or office and also has a WC.

Windmill Road is well positioned for a choice of public transport options with Brentford mainline station just a quarter mile away and Northfields Underground (Piccadilly) under three quarters of a mile away away. There are many highly sought after schools, shops and parks all within easy reach.

Viewings are strictly by appointment, so call Rolfe East today.
