INTRODUCTION

Simply stunning, this fabulous and elegantly proportioned traditional semi-detached home has been beautifully enhanced by a superb contemporary open-plan kitchen extension, opening directly onto the delightful gardens beyond.

Set back and secluded from Church Lane along a private lane, this charming location is characterised by a small collection of attractive bay-fronted homes dating from the 1930s. A viewing is essential to fully appreciate the appeal of this exceptional property, both inside and out, with the magnificent rear garden extending to approximately 300 feet in length.

The accommodation, as shown on the attached floorplan, briefly comprises an entrance porch, welcoming hallway, separate lounge, and a rear sitting room which flows seamlessly into the spectacular open-plan living kitchen. This impressive space features a full-width sliding door system, providing wonderful views and direct access to the garden. Practical additions include a utility room and downstairs cloakroom/WC.

To the first floor are four generously sized bedrooms and a stylish feature bath/shower room. There is also excellent potential for a loft conversion, as several neighbouring properties have already undertaken similar works (subject to the necessary consents).

Further benefits include gas-fired central heating, uPVC double glazing, and excellent parking provisions to the front, with a large block-set forecourt as well as an additional parking area across the private lane.

The rear garden is a truly delightful outdoor environment, ideal for relaxing, entertaining, and family life. Features include a dedicated children's safety play area and a substantial garden chalet/summerhouse, perfectly positioned to enjoy views back towards the house.

LOCATION

The location of this lovely home is a real attraction being set back and secluded from Church Lane. It is accessed via private lane opposite Church Lane's junction with Elms Drive, and serves a number of properties together with those along Old Annandale Road. This secluded position is a delightful environment characterised by impressive traditional homes with good sized plots and leafy surroundings. Church Lane is a much desired location within Kirk Ella, one of the areas most sought after villages. A number of local shops are situated within the village centre with the surrounding area offering a much more extensive range of shops and general amenities. The well reputed junior school of St. Andrews is on Mill Lane and Kirk Ella lies within the Wolfreton catchment area with public schooling also available locally. Good road connections lead to the city centre to the east and in a westerly direction, through the village networks, to the A63/M62 motorway network.
