Outside

The front of the property benefits from a low-maintenance concrete front garden, enclosed by a brick wall and providing access to the front entrance.

To the rear of the property a south-west facing garden, fully enclosed by a combination of brick walling and panelled fencing, with gated access to the rear. The back door opens onto a slabbed patio area, leading to a brick-paved pathway. A shingled area is bordered by mature plants and shrubs and features a water feature, creating a pleasant and established outdoor space. The garden also benefits from a shed with power, outdoor electrics and an external tap..
