9 St Aidans Court, Whitley Road, Eastbourne, BN22 8NW

This beautifully presented one bedroom first floor apartment is set within a popular retirement development and offers a larger design than many of the other one bedroom properties within the block. Ideally positioned at the rear of the development, the apartment enjoys a peaceful setting away from any road noise and overlooks the residents' communal courtyard garden. The property has been completely refurbished to a high standard, with everything brand new throughout, including a stylish fitted kitchen, a contemporary shower room, newly plastered walls and fresh, neutral decoration. The apartment is truly ready to move into, with the only finishing touch required being the buyer's choice of carpets - which could even be fitted between exchange and completion by arrangement. The development itself benefits from excellent communal facilities including a residents' lounge, laundry room, on-site parking and a well maintained courtyard garden, creating a welcoming and sociable environment for residents.

We have tried to make sure that these particulars are accurate but, to a large extent, we have to rely on what the seller tells us about the property. Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission, etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains, etc) will be included in the sale.
