The kitchen opens through from this space and has a breakfast bar, ample wall and base units, a built in; dishwasher, electric hob, oven and extractor over. There is further space for a washer dryer and an American style fridge-freezer. A study/play/hobbies room completes the ground floor accommodation.

Off the first floor landing are three bedrooms, an airing cupboard and loft access. Each bedroom has built in storage, two are double in size and one is a comfortable single, the principal boasts it's own en-suite shower room. A modernised family bathroom, with stylish white suite and a separate shower, also serves this floor.

Outside the rear garden has been designed with low maintenance in mind and features two patios, a decked area, timber and walled borders - softened by mature planting, artificial grass and side access to a pretty front garden with driveway parking.
