A TRUE RARE BRAMPTON INVESTMENT PROEPRTY

Nestled in the highly sought-after area of Brampton—within effortless reach of the vibrant Chatsworth Road amenities and Chesterfield town centre—stands this exceptional, meticulously cared-for 128-year-old period home. Currently generating a reliable income with quality tenants paying £875 per calendar month, this turnkey investment effortlessly blends historic charm with high-spec modern performance.

Step inside to discover a characterful interior featuring striking exposed brick walls in both the lounge and main bedroom, connected by a central spiral staircase leading to the upper attic bedroom. Recent years have seen a comprehensive, no-expenses-spared transformation. A stunning £27k renovation by Bonds Installations introduces a contemporary kitchen—complete with free-standing bonus appliances including a fridge freezer, dishwasher, and washing machine—alongside a sleek first-floor shower room with a dedicated utility area.

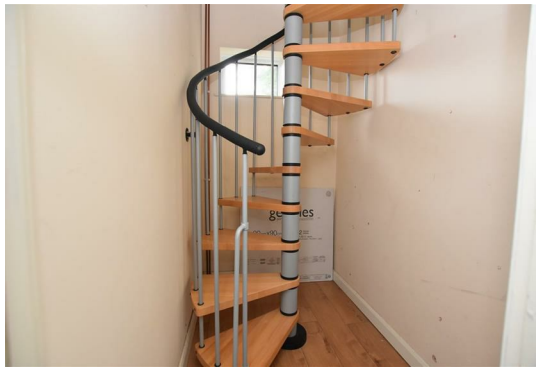

Peace of mind comes as standard with extensive modernization: fully damp-proofed in April 2023, upgraded with a new boiler and second-floor bedroom radiator in January 2020, and secured by uPVC triple-glazed windows and Ultion triple-lock front and back doors fitted in March 2023. Furthermore, the property remained entirely unaffected during the severe regional floods of recent years, underscoring its enviable and secure position.

Externally, the home offers an enclosed rear garden with inviting patio areas, complemented by convenient side off-street parking and ample on-street availability. A truly remarkable, well-cared-for asset that simply must be seen.
