Phil Hall Estate Agents are delighted to present this exciting opportunity to acquire a two-bedroom detached bungalow in the heart of Eastbourne, just a short stroll from the seafront, offering immense potential for modernisation and personalisation. Nestled in a quiet and sought-after residential area just moments from the picturesque Eastbourne seafront, this two-bedroom detached bungalow presents an exciting opportunity for anyone looking to create their ideal home in a prime coastal location. Whether you're a downsizer, a retiree seeking tranquillity, or a buyer wanting a project to modernise and personalise, this property offers a wonderful canvas to work with.

Upon entering the bungalow, you are welcomed into a spacious L-shaped entrance hall that provides a natural flow to the rest of the home. The layout is both practical and versatile, ideal for those seeking single-level living.

To the front of the property lies a generously sized living and dining room, bathed in natural light from a large double-glazed window. A central feature fireplace adds warmth and character, making this an inviting space for relaxation or entertaining guests.

The kitchen, located at the rear, is functional and well-maintained but presents an excellent opportunity for updating. Overlooking the rear garden, it benefits from a pleasant aspect and access to a rear lean-to, which could be adapted for additional storage or utility space.

The bungalow offers two spacious double bedrooms. Bedroom one enjoys a quiet rear aspect with views over the garden, while bedroom two is front-facing and equally well-proportioned—ideal for guests, family, or even a home office.

The family bathroom, though tidy, is also ready for modernisation. It currently features a panel-enclosed bath, wash hand basin, and WC.

Offered to the market with no onward chain, this property represents a rare opportunity to acquire a well-located bungalow with enormous potential.
