Situated in a popular and established residential location, this attractive older-style home has been significantly extended to the ground floor, creating a particularly versatile property with generous and flexible accommodation. Presented in good condition, with double glazing and gas central heating throughout, the property offers the ideal opportunity for a family looking for additional living space, a home with potential for multi-generational living, or simply somewhere that provides excellent flexibility as a family's needs change.

The ground floor begins with an inviting entrance hall leading into the main living accommodation. To the front of the property is a good-sized lounge, featuring a double-glazed bay window which provides plenty of natural light. Double-opening glazed doors lead through to the dining room, creating an excellent flow between the two principal reception areas. The modern fitted kitchen is well equipped with a contemporary range of wall-mounted and base-level units, providing useful storage and preparation space.

A particular feature of the property is the well proportioned ground floor extension. From the kitchen, a lobby leads to a ground floor cloakroom and onwards to a further reception room. This additional room provides an exceptional degree of flexibility and could be used as a third reception room, family room, home office or potentially a fourth bedroom, subject to the purchaser's requirements. It could also lend itself particularly well to annex-style accommodation, making it an attractive

option for a relative or perhaps a younger family member looking for some independence while remaining within the main home.

From the inviting reception hall, stairs rises to the first floor, where there are three well-proportioned bedrooms and a fitted modern family bathroom.

Outside, to the front, there is a well maintained garden area and a driveway providing off-road parking, together with a detached garage. To the rear, the property enjoys a good-sized, level and well-tended garden, providing an excellent outdoor space for relaxation, entertaining or family use.

Dennis Road is situated within a popular residential area of Weymouth, conveniently positioned for access to local shops, everyday amenities and regular bus routes serving Weymouth and the surrounding areas. Weymouth itself offers a wide range of shopping, leisure and recreational facilities, together with its famous sandy beach, picturesque harbour and excellent coastal surroundings.
