

Nether Birnie , Birnie, Elgin, IV30 8SU

Asking Price £725,000

I AM Real Estate, Ecobrix Design & Build in partnership with Cameron Hawksley proudly present two stunning, architecturally designed 4-bedroom detached homes.

Crafted with care and built to last, these exclusive eco properties combine cutting-edge sustainable materials with timeless design, offering the perfect blend of style, comfort, and energy efficiency.

Each home is a bespoke – tailored to suit your lifestyle, with the option to customise finishes and layout to create your perfect space. Whether you're dreaming of a countryside retreat or a modern family home, our team will work with you every step of the way to bring your vision to life.

Enquire now to discover how we can build you a custom-made home, beautifully designed and expertly delivered.
