The Property:

This attractive Victorian terraced home presents an excellent opportunity to modernise and personalise a character property in the heart of Keswick. Ideally located just a five minute walk from the town centre and its wide range of amenities, the property also enjoys delightful Lakeland fell views from the upper floors.

The accommodation comprises a sitting room with a bay window and attractive marble feature fireplace, a kitchen with stone flooring, a utility room, and a range of generously sized outbuildings accessed from the rear yard. Subject to the necessary planning consents, these outbuildings offer exciting potential for extension or further development.

On the first floor, there is a spacious principal bedroom with scope to create an ensuite bathroom, a further double bedroom, and a family bathroom. The second floor provides two additional double bedrooms, making the property well suited to families or those requiring flexible accommodation.

While the property now requires comprehensive modernisation, it offers exceptional scope to create a stylish and comfortable home that retains its period charm, in one of the Lake District's most sought after locations.

Due to the condition, this property is only suitable for full cash buyers.
