

Newland Street, Witham, CM8 2FS
Offers in excess of £140,000

Some More Information

Entering into the hallway, doors lead through to the bedroom, bathroom and main living accommodation. At over 22ft in length, the open-plan kitchen/living room gives the flat a good sense of space, helped by three windows bringing plenty of natural light into the room. A shaker-style kitchen wraps around one corner, providing a good amount of cupboard and worktop space alongside an integrated electric oven, hob and extractor.

Along the hall is a double bedroom measuring approximately 11'1" x 8'11", with enough room for a double bed and additional bedroom furniture. Completing the accommodation, the bathroom has a white three-piece suite with a shower over the bath and tiled surrounds. Gas radiator heating and double-glazed windows feature throughout.

Externally

Positioned just off Newland Street, Icen House has a communal entrance serving the apartments within the building. The Apartment comes with an allocated parking space to the front, with vehicle access controlled by a fob-operated barrier. Having your own parking space is a particularly useful addition given the central position of the property.

Location

Icen House sits in the centre of Witham, putting Newland Street and its range of shops, cafés, restaurants and everyday amenities within a short walk. Witham railway station is also within walking distance, offering direct services to Chelmsford and London Liverpool Street to the south, and Colchester and Ipswich to the north. By road, the A12 is easily accessible, providing connections towards Chelmsford and London as well as Colchester and the wider Essex and Suffolk areas. Braintree and Maldon can also be reached via the surrounding road network. For someone wanting to live centrally

without necessarily relying on a car for the daily commute, the position is one of the strongest aspects of the apartment.
