THE PROPERTY

End Of Terrace Cottage In Quiet Hamlet Location

1 North View is an end-of-terrace cottage set in the peaceful hamlet of Garsdale.

The Garsdale Valley enjoys excellent links between North Yorkshire, Cumbria, and the Lake District. The popular market town of Hawes is just eight miles away and offers a range of amenities, including shops, cafés, pubs, a doctor's surgery, and a primary school. Sedbergh, also eight miles away, provides similar facilities along with a secondary school and the renowned public school. Garsdale Head railway station, only a couple of miles from the property, sits on the famous Settle–Carlisle line and offers convenient connections to mainline routes, while the M6 motorway can be reached within half an hour. The surrounding countryside provides wonderful walking opportunities straight from the doorstep, and the area is rich in wildlife, with regular sightings of red squirrels and a wide variety of birds.

The cottage offers well-proportioned accommodation across two floors. The ground floor features two reception rooms: a lounge-diner with a log-burning stove and back boiler supplying hot water, and a living room enjoying lovely far-reaching views across the valley. Upstairs, there are two double bedrooms and a house bathroom. The property is currently very basic, but with sympathetic modernisation it has the potential to become an inviting and practical space.

Externally, the property includes access to a utility and storage room with a separate W.C. There are low-maintenance pathways, off-road parking for two vehicles, and a detached single garage with workshop space.

1 North View would make an excellent first home, a peaceful holiday retreat, or a sound investment property.
