Located on Longhill Road in the charming village of Ovingdean, Brighton, this much-improved detached house offers a unique blend of comfort and versatility. With stunning views over picturesque farmland and the sparkling sea, this property is a true gem. This versatile home can be used as one large property which would feature three spacious reception rooms, perfect for entertaining or relaxing with family. Four well-appointed bedrooms, providing ample space for a growing family or guests, plus three modern bathrooms, ensuring convenience for all residents. Currently one of the standout features of this residence is the fully self-contained studio apartment. This versatile space includes its own kitchen, shower room, and studio room, making it ideal for generating rental income or accommodating visitors. The new acoustic panelling installed between the main residence and the studio ensures complete soundproofing, allowing for privacy and tranquillity. The rear garden has been fully remodelled and landscaped, creating a serene outdoor space for relaxation and enjoyment. Additionally, a newly levelled and block-paved driveway provides parking for several vehicles, enhancing the property's practicality. The interior has been tastefully redecorated throughout, and the home benefits from a new boiler and consumer unit, ensuring modern efficiency. The property also has had replacement double glazing and the installation of new rear patio doors. With no onward chain, this property is ready for you to move in and make it your own. This versatile home is perfect for those seeking a blend of comfort, style, and potential in a beautiful coastal location. Don't miss the opportunity to view this exceptional property.
