A Beautifully Presented Two-Bedroom Cottage with Extended Kitchen and Garden Studio in Walthamstow Village.

A stunning example of a charming Walthamstow cottage, beautifully finished throughout and set right in the heart of Walthamstow Village. The property welcomes you with an attractive brick frontage, neat tiled walkway and classic wooden sash windows that set the tone for the character and quality within.

Inside, the front of the home features a cosy lounge with a feature fireplace and shutters, flowing into a central hallway with excellent storage and stairs rising to the first floor. The stylish family bathroom is fitted with metro-style wall tiles, a Victorian-style bathtub and a rainfall shower overhead.

To the rear is the heart of the home — an extended kitchen diner offering a contemporary living space with a fully integrated kitchen, a peninsula breakfast bar, abundant storage, a large skylight and doors leading seamlessly out to the garden.

Upstairs, there are two generously sized double bedrooms, both beautifully presented and filled with natural light.

The rear garden is a great length, with a mix of patio and lawn for outdoor dining and play. At the far end of the garden sits a fantastic newly constructed garden studio, perfect as a gym, home office or creative space, with clever hidden storage.
