PROPERTY DETAILS

Stunning Two Bedroom Chain Free Ground Floor Apartment with Sea Views & Garage

This beautifully presented ground floor apartment forms part of a modern development constructed approximately nine years ago and is considered one of the finest examples within the building. Perfectly positioned, it offers easy access to Fairlight Country Park while being only a short distance from the shops and amenities of Ore Village.

The property has been meticulously maintained by the current owners and offers an exceptional standard of finish throughout. Accommodation is accessed via a communal entrance leading into a private hallway with generous storage. The heart of the home is the open-plan living space, featuring a contemporary fitted kitchen with fully integrated appliances, dining area, and living room. From here, French doors open onto a private balcony enjoying breath-taking views across the town, towards the sea, and out to the surrounding countryside.

The main bedroom is a superb size, benefiting from a south-facing window and direct access onto a second private balcony. It also features a luxury en-suite shower room/WC. A further double bedroom and a modern family bathroom/WC complete the accommodation.

From the entrance hall, there is integral access to a private garage with an electrically operated door, EV charging point, light and power, and additional utility space. Residents also benefit from allocated parking, communal gardens with areas of lawn, a healthy lease of 116 years, and reasonable maintenance charges of £1,685 and ground rent of £275 per annum.

This apartment offers the perfect combination of modern convenience, outdoor space, and stunning views in a highly desirable location. Internal viewings are highly recommended via the vendors' chosen agents, Just Property.
