Outside
To the front of the property is a private driveway providing off-road parking for one vehicle and leading to the garage. The front garden has been designed for low maintenance, being mainly laid to gravel with well-established shrubs and planted borders. A secure side gate provides convenient access to the rear garden.

The private rear garden offers an attractive outdoor space, with a combination of paved patio and lawn, complemented by mature trees, established shrubs, and well-stocked planting borders. A substantial purpose-built wooden shed provides excellent additional storage, making this a practical and enjoyable garden for relaxing or entertaining.
