## Summary

To the front of the property is a walled forecourt garden, fully paved with attractive Victorian blue brick and enclosed by decorative waist-height walling, with a wrought iron gate providing access from the pavement. There is a potential parking arrangement close by to allow an allocated space for a set monthly charge.

The entrance opens into a welcoming lounge featuring a characterful chimney breast with a built-in storage cupboard to the side, a high-level TV point, radiator, ceiling light point and a UPVC double-glazed window and Georgian-style fanlight door to the front. An internal door leads through to a small inner lobby, which provides access to a useful under-stairs storage/cloaks area and continues through to the dining room.

The dining room also benefits from a feature chimney breast, radiator, ceiling light point and a UPVC double-glazed window overlooking the rear garden. Stairs rise from this room to the first floor, and a further door leads into the kitchen. The kitchen is fitted with a range of cream semi-gloss base and eye-level units with contrasting work surfaces and tiled splashbacks, a stainless steel sink with mixer tap, an integrated four-ring electric hob, and space for a fridge/freezer and washing machine. There is also a radiator, ceiling light point and a UPVC double-glazed window to the side.

Upstairs, the landing provides access to both bedrooms and the bathroom. The main bedroom is positioned to the front and includes a feature chimney breast, radiator, ceiling light point and a UPVC double-glazed window. The second bedroom overlooks the rear garden and offers a radiator, ceiling light point, UPVC double-glazed window and a built-in corner wardrobe/store which also houses the loft hatch. The bathroom is fitted with a modern three-piece suite comprising a P-shaped shower bath with thermostatic shower, rain head and hand attachment, a close-coupled WC with push-button flush and a pedestal wash basin with mixer tap. Additional features include a chrome heated towel rail, tiled bath and shower surrounds, ceiling light point and an obscure UPVC double-glazed window to the rear.

The rear garden begins with a paved patio area and access to an internal store running the full width of the kitchen, complete with an outside water tap and UPVC double-glazed window. Beyond this is a further seating area, with the remainder of the garden laid to lawn and space for a timber shed. The

garden is accessed via a shared rear entryway and enjoys a sunny south to south-westerly aspect.
