DESCRIPTION

Hunters are delighted to have been instructed by Renmore Homes to sell the last four homes of phase 1 at 'Spitfire Meadow' in Capel. Situated within moments of open rolling farmland this select development of just 16 high specification, sustainable homes in this well respected cliff top village are particularly worthy of an internal inspection. 'The Hillingdon' is a special 5 bedroom detached home with double garage and has a total floor area of 201.8m². To the ground floor there is a living room with bay window and a kitchen/dining/family room overlooking the rear garden, along with a utility room and study. To the first floor there are 5 bedrooms, the master having an en-suite bathroom and walk in wardrobe. The second bedroom also has an en-suite shower room along with a four piece family bathroom. Completed to the most up to date specification the property has an energy efficient air source heat pump with the ground floor having zoned underfloor heating and rooms to the first floor having radiators with individual thermostatic control. The kitchen is of a traditional shaker style with integrated appliances for a streamlined aesthetic look with quartz worktops. The bathrooms have chrome sanitary ware. For that sleek modern look there are LED recessed downlights to the kitchen, bathroom and entrance hallway and first floor landing with a generous supply of power outlets throughout. Parking is provided by way of a double garage and has an EV charger. The gardens are already turfed. For peace of mind 'The Hillingdon' comes with a 10 Year New Homes Structural Warranty along with 2 Year Renmore Homes Aftercare Support. Capel-le-Ferne is a cliff top village perched atop the White Cliffs of Dover between Folkestone and Dover. Famous for the Battle of Britain Memorial it offers breathtaking English Channel views, a visitor centre and replicas of a Spitfire and Hurricane. The village has a range of amenities including village store, primary school and a farmers market.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars are intended to give a fair and reliable description of the property but no responsibility for any inaccuracy or error can be accepted and do not constitute an offer or contract. We have not tested any services or appliances (including central heating if fitted) referred to in these particulars and the purchasers are advised to satisfy themselves as to the working order and condition.
