

Cavendish Road, Redhill

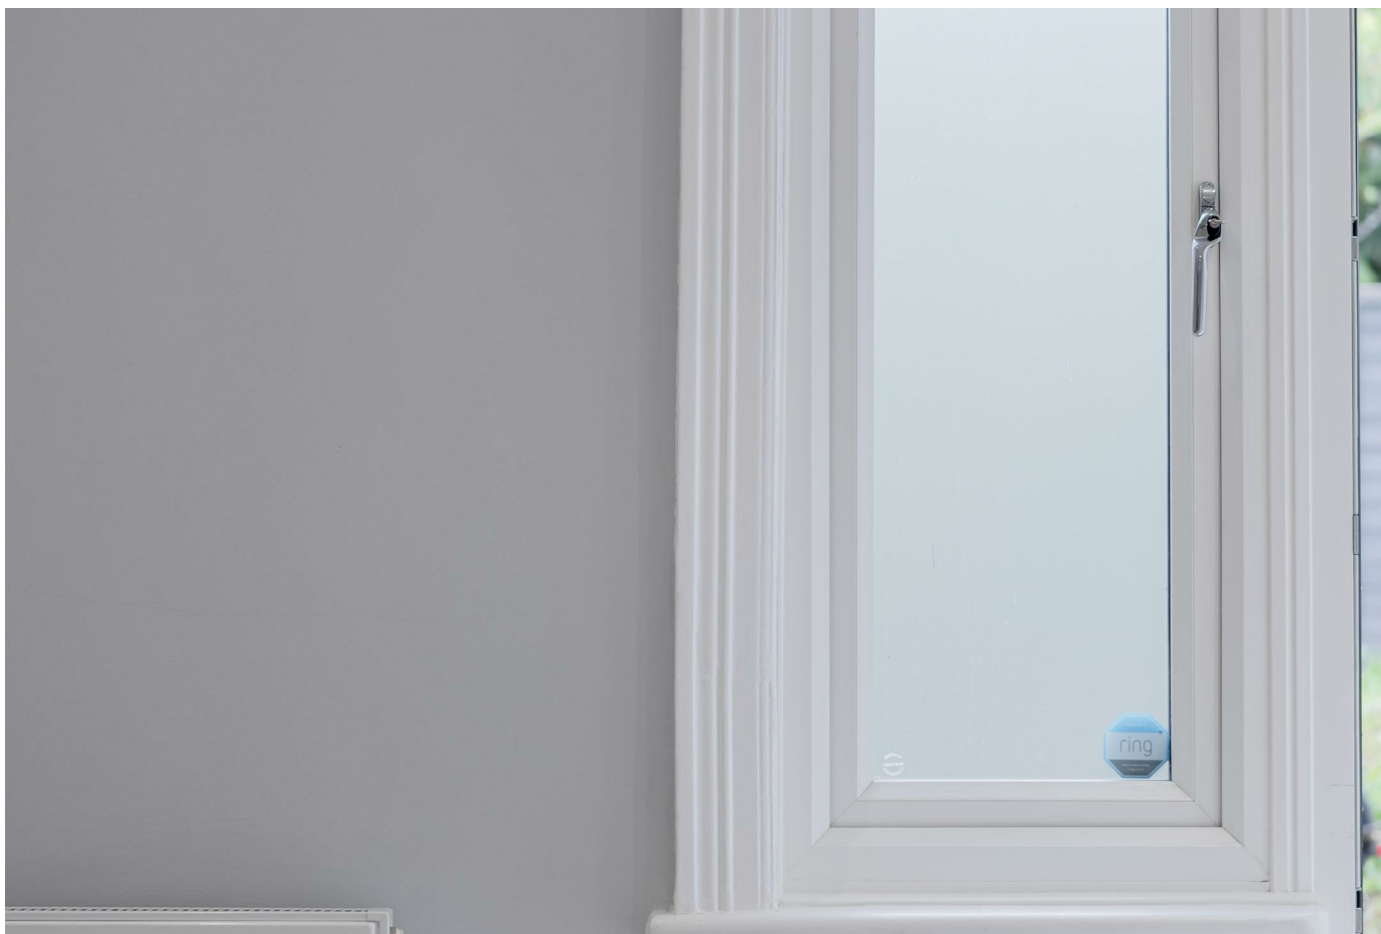

£1,350 Per Month

With its own outside space, separate kitchen and convenient position for Redhill town centre and station, this apartment offers far more than the typical one-bedroom rental.

Occupying the ground floor of an attractive period conversion, this one-bedroom apartment offers a comfortable layout alongside a particularly generous amount of private outside space.

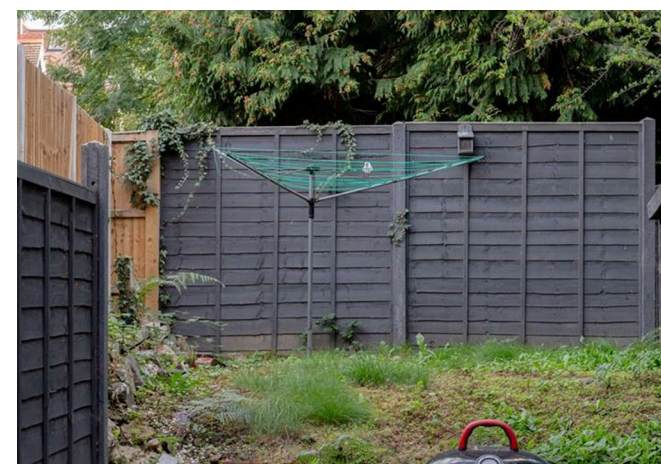

The living room sits at the centre of the flat, with a bay window bringing shape and character to the room. Finished in soft, neutral tones with contemporary flooring, it provides an easy space to arrange for both relaxing and dining.

Rather than forming part of the reception room, the kitchen is tucked away separately and fitted with modern cabinetry, an integrated oven and hob, fridge/freezer and washing machine.

The double bedroom is positioned towards the rear, while the bathroom has been finished with pale tiling and includes a bath with a shower above. Additional storage can also be found off the living room.

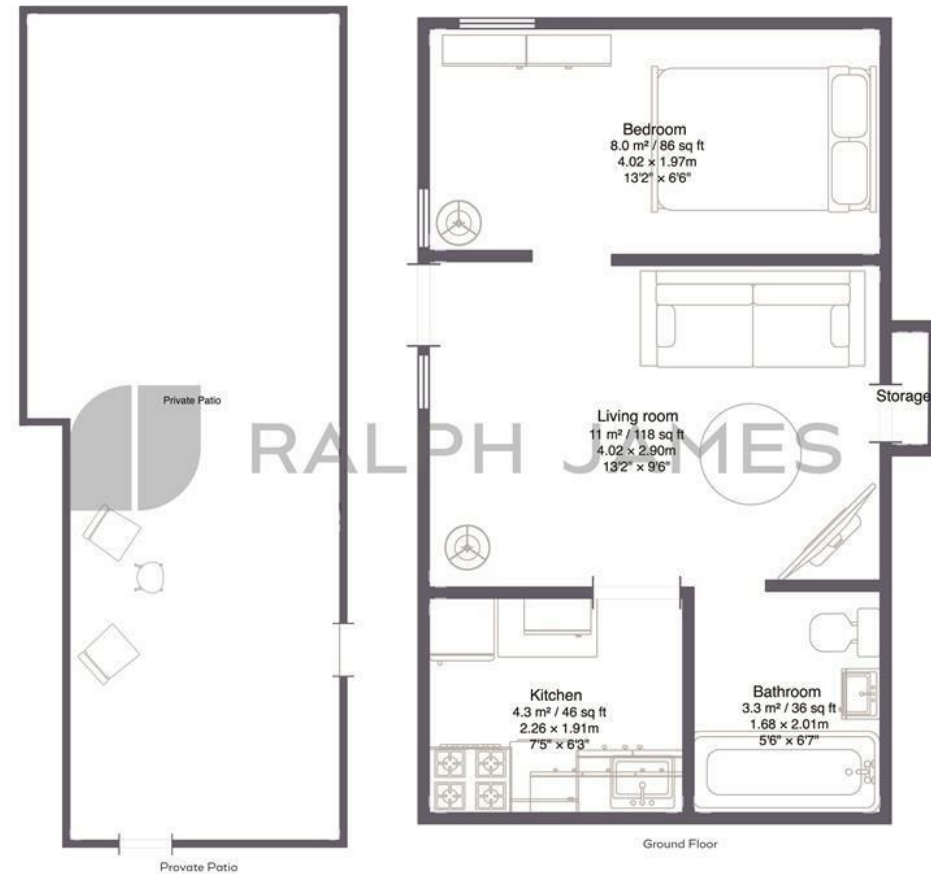

Outside is where this apartment becomes especially unusual. The private garden and patio extend well beyond the footprint of the flat, providing space for outdoor seating, barbecues and planting. A useful garden shed offers further storage.

Cavendish Road is well placed for access into Redhill town centre, with its railway station, shops, cafés and everyday amenities all within convenient reach.
