Road Parking

Gas Central Heating

43 Southfield Close, Driffield, YO25 5YU

AN OUTSTANDING semi-detached house located within a popular and sought after residential location that is convenient for access to local facilities including schools, sports centre and the wider area by road.

The property is in an impeccable condition with the current vendors having taken the opportunity to ensure that it is as pristine as possible prior to marketing! Infact, this is one of the houses which is very difficult to find fault with.

The accommodation on offer includes Entrance Hall, which offers a good degree of space, front facing Lounge and fitted Kitchen which incorporates a breakfast area.

The first floor offers two main bedrooms as well as third single bedroom which is currently used as an office. The bathroom has been re-fitted and compliments other fixtures and fittings.

In summary, the laid back vibe of the location of this property is a welcome change to many modern developments, which can quite often feel overlooked and mean that parking is problematic. This is not the case with this property given that it has its own drive, garage and additional parking space.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.

Lounge

Lounge

Breakfast Kitchen

Breakfast Kitchen

Accommodation

A lovely welcoming Entrance to the property with staircase leading off to the first floor, fitted dado rail. Radiator.
