

Grimblethorpe Hall Estate  
Louth, Lincolnshire

# Grimblethorpe Hall Estate, Louth, Lincolnshire

An impressive Country Estate lying in the heart of the Lincolnshire Wolds which is designated as an area of outstanding natural beauty (AONB). The Estate comprises a substantial Grade II\* listed hall, Five cottages, a range of farm buildings and around 63.62 acres (25.73 hectares) of land and woodland.

Grimblethorpe Hall was thought to have been built for the financier Sir Ralph Maddison, known to have held Grimblethorpe at the end of the 16th Century. The Hall is in need of renovation, but still offers many original period features including an impressive 17th Century Oak staircase, attractive fireplaces, wood panelling, high skirting boards and decorative plasterwork.

The five cottages were all previously run as successful let property with four as self catering holiday accommodation and one on an AST. Anvil Cottage is still being run by the present owner with regular bookings. The other cottages suffered some flood damage in a one off flood in August 2022 and are in need of different levels of repair work.

## Location

The Grimblethorpe Hall Estate is situated in the beautiful Lincolnshire Wolds countryside. At the northern end of the site is the remains of the deserted medieval village of South Cadeby. It is surrounded by undulating farmland comprising arable and pasture land and woodland. The property has good transport links and lies just 5 miles to the west of Louth which is a charming market town with a range of amenities and schooling.

The city of Lincoln lies approximately 20 miles to the south-west which offers a full range of amenities both in terms of shops, entertainment and a University. Market Rasen lies 11 miles to the west, and is the nearest railway station to Grimblethorpe with Humberside Airport just 20 miles away also.

## Tenure & Possession

Freehold and for sale by private treaty.

## The Land

The land is grade 3 and has high amenity value with an area of woodland and a stream flowing through the full length of the farm. The fields are suitable for livestock or equestrian use.
