

122 Mead Way, Bromley, BR2 9EU

Guide Price £550,000

Arranged over three floors, the accommodation comprises a utility room, cloakroom, and integral garage on the ground floor. The garage offers excellent potential for conversion into an additional bedroom or reception room. Some neighbouring properties have also reconfigured the layout to position the kitchen on the ground floor, enhancing the overall living space. There is also potential to create a small annexe, subject to the usual consents.

The first floor features a well-appointed lounge and a spacious fitted kitchen/diner. On the second floor, there are three good-sized bedrooms and a family bathroom.

Further benefits include gas central heating, double glazing, and a mix of carpeted and laminate flooring.

Externally, the property boasts an approximately 70ft rear garden. Being end-of-terrace, it also benefits from side access, along with a private driveway to the front.
