The property is entered via an entrance porch, which leads into a welcoming inner hallway with stairs rising to the first-floor landing. The ground floor accommodation is both generous and adaptable, centred around a large lounge/dining room positioned to the rear of the property. This bright and inviting space enjoys pleasant views over the garden and benefits from patio doors opening directly onto the rear garden, creating an ideal setting for both everyday living and entertaining.

The kitchen/breakfast room is fitted with a range of floor and wall-mounted units with work surfaces over and provides ample space for dining and freestanding appliances. A separate utility room adds further practicality and convenience. The ground floor also benefits from a cloakroom and an additional reception room, offering excellent flexibility to be used as a home office, playroom, snug, or even a ground floor bedroom if required.

The first-floor landing opens to three well-proportioned double bedrooms, all offering excellent space for family living. The accommodation is completed by a three-piece family bathroom alongside a separate W/C for added convenience. Accessed via a loft hatch from the first-floor landing, the spacious loft area offers excellent additional potential and could be ideal for conversion into a principal bedroom suite with ensuite facilities, subject to the necessary planning permissions and building regulations.

Externally, the property continues to impress with a substantial and mature rear garden, predominantly laid to lawn and enhanced by a patio seating area, established flower beds, and mature trees, creating a private and peaceful outdoor retreat. Agent Note

Previous structural movement, mainly resulting in cosmetic internal and external cracking, was caused by oak tree roots from a neighbouring property damaging drains at 30 Hillfield Road and eroding surrounding ground. The tree was removed, drains repaired, and the property monitored by Global 360 for three years with no further movement recorded. Remedial works, including brick stitching and redecoration, were completed thereafter. A COSA certificate was issued in December 2023 and the Direct Line claim closed on 08/01/2024.
