Mountside, Scarborough

DESCRIPTION

Situated in one of Scarborough's most sought-after residential locations, this impressive detached home on Mountside occupies a generous plot of approximately 0.477 acres and enjoys elevated, far-reaching views across the town, out to sea and towards Scarborough Castle.

The property offers spacious and well-balanced accommodation extending to over 1,700 sq ft. The ground floor comprises an entrance hall, a generous living room measuring over 19ft in length, a separate dining room with bay window, downstairs WC and a fitted kitchen positioned to the rear. The layout provides excellent potential for modernisation or reconfiguration, subject to the necessary consents, while already offering well-proportioned rooms ideal for family living.

To the first floor are three bedrooms, including a particularly spacious principal bedroom, along with a family bathroom, separate shower room and additional WC. The elevated position ensures many of the rooms enjoy open outlooks across Scarborough's coastline, the historic castle and the town itself.

Externally, the grounds are a true feature of the property. Set within approximately 0.477 acres, the extensive gardens provide privacy, space and significant scope for landscaping or potential extension (subject to planning). A detached garage and additional outbuilding further enhance the practicality of the home.

Mountside is renowned for its elevated setting and panoramic views, offering convenient access to Scarborough town centre, the South Bay, local schools and transport links, while retaining a peaceful residential feel.

A rare opportunity to acquire a substantial detached home on a sizeable plot with outstanding coastal views in this highly regarded Scarborough location.
