No.5 Hobart Road represents an exciting opportunity to acquire a newly renovated period home, offering a wonderful blend of original features and modern finish, and boasting a generous rear garden that stops you in your tracks.

Every detail has been carefully considered. Attractive oak Amtico flooring, an abundance of natural light and a spacious, modern kitchen with quartz worktops sit alongside a light-filled sitting room, while a feature fireplace brings warmth and character to the front living room. Completing the ground floor accommodation is a generous dining room, and a newly fitted cloakroom W.C.

Two double bedrooms and a magnificent family bathroom are arranged on the first floor, with a

utility room off from the landing. Bedroom 2 includes an en suite shower room, whilst the second floor houses a further double bedroom, benefitting from a dual aspect and eaves storage.

Outside there is plenty of on-street parking, with secure gated access leading to the show-stopping rear garden which broadens and triples in width. There is an Indian sandstone patio, well suited to alfresco dining. The remainder of the garden is laid to lawn and bordered with mature shrubs and trees.

Hobart Road is a quiet street located off Mill Road in a desirable position on the city's South side with a friendly community spirit. Cambridge's City Centre and central station are close by.

Mill Road offers a wealth of independent shops, cafes, and facilities, and allows easy access to the Addenbrookes hospital and the Biomedical campus.
