The lounge is an exceptional size, running the length of the home and offering bundles of space. The conservatory is an equally impressive size and only adds the amount of space on offer for either a dining table or space for little ones to play. The kitchen is in fantastic order and has the ability to house a small dining table again giving you flexibility in how you set up the rooms. The downstairs bedroom completes the set

On the first floor you'll find 3 good size bedroom, ideal if you have two children in tow. A further shower room takes all the pressure off the morning rush hour. Outside you'll find a low maintenance rear garden and further summer house which lends itself to homeworking, gym or hobby room.

Outside you'll find a drive which allows off road parking for a car whilst the home overlooks Bransbury Park if you have a dog to be walked or extra space for little ones to play. A wonderful home that is sure to attract a lot of early interest.

reputable removal company. Please ask a member of our sales team for further details and a quotation.

Solicitor

Choosing the right conveyancing solicitor is extremely important to ensure that you obtain an effective yet cost-efficient solution. The lure of supposedly cheaper on-line "conveyancing warehouse" style services can be very difficult to ignore but this is a route fraught with problems that we strongly urge you to avoid. A local, established and experienced conveyancer will safeguard your interests and get the job done in a timely manner. Bernards can recommend several local firms of solicitors who have the necessary local knowledge and will provide a personable service. Please ask a member of our sales team for further details.

Bernards Mortgage & Protection

We have a team of advisors covering all our offices, offering a comprehensive range of mortgages from across the market and various protection products from a panel of lending insurers. Our fee is competitively priced, and we can help advise and arrange mortgages and protection for anyone, regardless of who they are buying and selling through.

If you're looking for advice on borrowing power, what interest rates you are eligible for, submitting an agreement in principle, placing the full mortgage application, and ways to protect your health, home, and income, look no further!
