We are delighted to bring to the market this impressive four bedroom, three bathroom semi-detached family home, ideally positioned within a private and highly sought-after gated development, which is rarely available to the market. Arranged over three floors and offering almost 1,950 sq ft of generous living accommodation, the property provides excellent proportions throughout. The ground floor comprises a welcoming entrance hallway, leading to a spacious bay-fronted reception room. To the rear is a superb dining room and kitchen with integrated appliances, alongside a fantastic extended conservatory which enjoys views and direct access onto the private rear garden. A useful guest WC completes the ground floor.

The first floor offers three well proportioned bedrooms, one of which benefits from an en-suite shower room, in addition to a family bathroom. The loft has been converted to create an exceptional principal bedroom, complete with its own en-suite bathroom and excellent proportions. Further benefits include private gated allocated parking for two cars and the property is offered to the market with no onward chain.

Worton Road is a popular residential road, well positioned for a range of excellent local schools, amenities and parks. The neighbouring areas of Whitton, Twickenham, Richmond and St Margarets are all within easy reach, while the A4/M4 provides convenient access into London and Heathrow.
