Treecott, 28 Trevarnon Lane

Connor Downs, Hayle, TR27 5DL

Guide Price £520,000

Situated in the popular village of Connor Downs, coming onto the market is this three bedroomed family home with a sense of great potential and flexibility to develop. Sited along a cul-de-sac with a good degree of privacy, there are opportunities for multi-generational living or additional income given the main house is complemented by an already fully self-contained one bedroom garden lodge. Furthermore, the property has planning for a one bedroomed annexe, for ancillary accommodation, on which construction has already begun. However, we understand from the current vendors that could be upgraded to add an additional bedroom as well as a change in use, subject to the appropriate consent. On entry, you will find a useful entrance vestibule with a downstairs WC. Open access is given to a fitted galley style kitchen at the front of the property, with space for all of the required appliances. The kitchen leads out to the lounge/living room which gives direct access to the rear of the property. Here you will find a built-in sideboard, stairs to the first floor and a full height storage cupboard. The latter could potentially be a doorway access to the completed annexe. The lounge has an interconnecting concertina door opening out into the dining room. To the first floor, there are three bedrooms, two of which have the additional benefit of built-in wardrobes. All three bedrooms are complemented by a large family bathroom with a separate central shower cubicle. The property has gas fired central heating, complemented by double glazing throughout. Externally, to the front, there is a gravelled driveway with parking for three/four vehicles and a leanto workshop that runs the full depth of the house. The rear garden is very low maintenance, fully south facing, with lower and upper patios. The upper is the site of the self-contained one bedroom garden lodge which has an open plan lounge/living room/kitchen, a separate shower room and double bedroom. Also on the upper patio, there is a summerhouse currently used as a hobbies room by the vendors but which could be re-purposed if so required. There is also a separate garden shed. In terms of location, Connor Downs is a popular place in which to live, the village has a petrol station with convenience store, a public house, bus services and a doctor's surgery. The well known Upton Towans Beach can be reached on foot or via a short drive. This expansive, sandy beach is the middle part of Hayle's three miles of golden sand with Mexico Towans and Gwithian, a quite delightful collection of beaches. In St Ives Bay, the beaches enjoy views across to the town of the same name. Upton Towans beach is popular for surfing, safe swimming, and dog-friendly walking and is backed by vast dune systems, the Towans, that are a protected nature reserve. The A30 is within two miles, the nearby town of Hayle is less than ten minutes away which has a comprehensive selection of amenities including major supermarkets and both chain and independent retailers. Hayle Retail Park is in between and offers three major chain stores and a well known coffee outlet. Camborne is within a fifteen minute drive which again offers many amenities.
