Belsize Park Gardens Belsize Park NW3

Enviably arranged over the raised ground and first floors of a refined stucco-fronted period residence, this exceptional five bedroom, three bathroom duplex apartment offers bright and wonderfully spacious accommodation throughout.

This rare and impressive family home exhibits grandeur and style in equal measure. The property retains many stunning period features including finely preserved period detailing throughout, particularly in the 30' reception room which features an imposing curved door plus high ceilings with beautifully ornate frieze work and corncing.

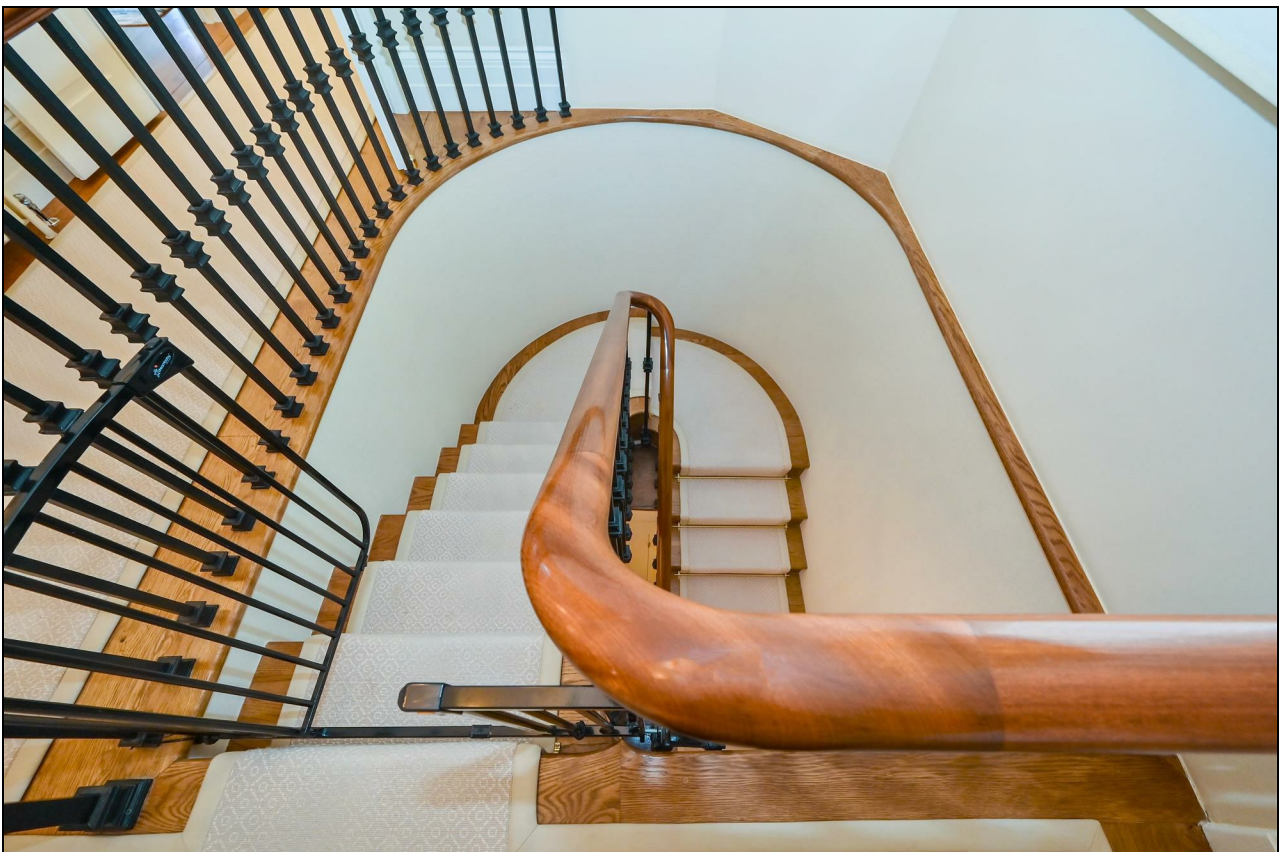

Belsize Park Gardens runs south east from its junction with Belsize Park towards Eton Avenue, and this property enjoys a particularly sought after position at the northern end of the street, just moments from fashionable Belsize Village. The location is notably well connected, with Belsize Park Underground Station (Northern Line) approximately 500 yards away and Swiss Cottage Underground Station (Jubilee Line) within around 850 yards walking distance.
