About Us

Woodland Falls

The best of both worlds – coast and countryside, all on your doorstep.

Tucked away on Anglesey's north coast, Woodland Falls is an independent, family-owned holiday park run by the Bulmer family. Surrounded by tranquil woodland and just a short stroll from award-winning Lligwy Beach, it's a peaceful retreat to slow down and switch off.

A Bulmer Leisure Resort

Woodland Falls is part of the Bulmer family collection, best known for their cider-making heritage.

Run with the same family values, the park has been carefully developed to offer exceptional holiday homes, modern facilities and a welcoming community atmosphere.

Our Eco Focus

We're committed to protecting the island we call home. Woodland Falls was the first UK holiday park to introduce eco lodges with solar panels and heat pumps, helping owners reduce their carbon footprint and energy bills. Sustainability sits at the heart of everything we do.

Quality Homes, Built to Last

We work with the UK's leading manufacturers to bring you holiday homes of the highest standard. Every new home here meets BS3632 specification, ensuring year-round comfort, energy efficiency and long-term peace of mind.

When you invest in a Woodland Falls holiday home, you're choosing quality designed to stand the test of time.

Facilities & Community

Life here comes with more than just a holiday home. Owners enjoy access to The Oaklands Bar & Lounge, a modern gym and aerobics studio, a children's play area and a year-round activity programme. From BBQs and social events to quiet evenings on the decking, Woodland Falls is a place to relax, connect and belong.

Lligwy Beach

Just a short woodland walk from Woodland Falls, Lligwy Beach has been named the best beach in the UK by The Sunday Times.

What we love about this property

Inside, the Silverwood feels bright, modern, and instantly welcoming. The open-plan lounge is a standout feature, with generous seating and front-opening French doors that lead directly onto your deck and fill the space with natural light. The contemporary kitchen is fully equipped for easy holiday living, making cooking, relaxing, and entertaining all flow in one simple space.

Both bedrooms are thoughtfully designed, with the master offering excellent storage and its own en-suite toilet for added comfort and privacy. A well-proportioned twin room completes the layout, ideal for family or visiting guests.

Set on a premium new plot within Woodland Falls, this Silverwood blends modern styling with a high-quality setting, giving you a fresh start in one of the park's most desirable locations.

A stylish, practical holiday home on a standout plot, ready for you to enjoy from day one.
