Property Description

This beautifully arranged home is set across three spacious floors, offering generous living accommodation, versatile room layouts, and modern conveniences throughout. The property also benefits from off-street parking and a private rear garden featuring a patio area and a lawned section, ideal for outdoor dining, relaxation, or family activities.

Upon entering the home, you are welcomed into a central hallway that leads to the main living spaces. To one side is a bright and expansive living/dining room stretching the full depth of the property, with dual-aspect windows creating an inviting and airy feel. Adjacent to the hallway is a well-appointed kitchen featuring ample worktop and storage space, comfortably accommodating everyday cooking and family life. Also on this level is a generous, multi-purpose room currently labelled as a gym. This versatile space can serve as a home office, playroom, studio, or additional reception area, depending on your needs. A convenient WC completes the ground floor.

The first floor is centred around a spacious landing that provides access to four well-proportioned bedrooms. Each room offers flexibility for use as sleeping accommodation, guest rooms, or workspace. A family bathroom is also located on this floor, fitted with a bath, basin, and WC. Bedroom three also benefits from its own en-suite. The top floor hosts two further bedrooms, creating a private suite-like arrangement. One of the bedrooms benefits from built-in wardrobe space and a private en-suite shower room, making it an ideal choice for a main or guest bedroom. Both rooms enjoy ample natural light and a peaceful atmosphere away from the main living areas.

The property includes convenient off-street parking, providing ease for daily use and visiting guests. To the rear, the garden features a patio area perfect for outdoor seating or entertaining, with the remainder laid mainly to lawn offering a tidy, low-maintenance outdoor space suitable for families, pets, and gardening enthusiasts alike.
