The ground floor accommodation begins with an entrance hall providing access to a convenient WC and the main living space. The living room is a generous size and features an attractive fireplace, while an elegant open archway flows through to the adjoining dining room, creating a sociable space for both everyday living and entertaining. Double doors from the dining room open directly onto the rear garden, while the living room also provides access to the staircase and kitchen. Externally, the property benefits from an attractive block-paved driveway providing ample off-road parking for several vehicles, together with access to the integral single garage.

To the rear is a well-established enclosed garden featuring a paved patio seating area, ideal for outdoor dining and entertaining, leading onto a lawn surrounded by mature planting and fenced boundaries.
