Summary of Accommodation

About the property

This modern detached home enjoys a wonderful position, located most conveniently for Cowbridge Town Centre, a short distance from all shops and its broad range of services. From the forecourt garden fronting the property, a central entrance hallway has doors leading to the family lounge, to the study and to a kitchen/living/dining space running the width of the rear of the property. One additional door opens into a ground floor WC while a staircase leads to the first floor. The family lounge looks over the forecourt garden onto North Road and has, as a focal feature, a simply carved stone mantelpiece and fire surround with wood burning stove within resting on a slate hearth. A second reception room – a multi-use study/playroom – also looks to the same. Running the width of the rear of the property is a lovely, light kitchen/living/dining space with distinct kitchen and living areas. The kitchen itself includes a comprehensive range of units and matching central island/breakfast bar with polished quartz worktops. Appliances, where fitted, are to remain and include: twin 'Smeg' ovens, electric hob, fully integrated dishwasher ; space remains for a tall fridge/freezer. The adjacent utility room has plumbing and space for a washer and for additional storage. The distinctive dining area, like the kitchen, has bi-fold doors looking out over and opening on to the rear garden with the living/dining area leading to a flagstone paved alfresco dining area.

To the first floor, a central landing area has doors leading to all four bedrooms and to the family bathroom. One additional door opens to a deep airing cupboard / store. The largest bedroom looks onto North Road and is especially generous; it includes its own sizeable en suite shower room. Bedroom two is to the rear of the property with a Juliette balcony from which to look out over the rear garden. The third double bedroom looks onto North Road while a fourth good sized single overlooks the rear garden. Family bathroom includes shower over bath.

Garden & Grounds

No. 2 Augusta Court fronts onto North Road yet is set back from the same via a pavement frontage and a gated entrance leading through a low stone wall and forecourt garden to the principal entrance doorway. The rear garden is a wonderfully sheltered, private space, screened by contemporary timber fencing and stone walling. A pedestrian, gated entrance leads from the communal Augusta Court driveway into the garden itself. Flagstone paved patio sweeps around the garden and leads to a pedestrian entrance into the garage (approx. max. 5.9m x 3m). Garage is accessed via an electric up and over door, has eaves storage and has power and water connected. A parking space fronting the garage provides for further parking.
