the details...

Paved steps rise from the driveway to the front door, which opens into a spacious entrance hallway where stairs lead to the first floor and a useful cupboard beneath provides handy storage. From here, practical laminate flooring continues through to the modern open plan kitchen and the inviting dining and family space.

The kitchen is finished with elegant gloss white units and matching wall cabinets. It includes an integrated fridge freezer, electric oven, induction hob, extractor, dishwasher, washer drier and a contemporary mixer tap. This space then opens into a well thought out extension with room for a dining table or a sofa, and French doors that lead directly out to the rear garden. It creates a practical and sociable area that works beautifully for family life or everyday living.

Completing the ground floor is the generous sitting room, which is carpeted and can be accessed through double doors from the dining space or directly from the entrance hallway. This room enjoys a large picture window overlooking the front garden and flooding the room with natural light.

bear in mind...

This property has a complete upper chain, giving piece of mind that there are no unexpected surprises after offering!

the location...

Stairs rise to the first floor landing, where a window frames lovely views over the city and brings extra natural light into the space. The layout offers three comfortable bedrooms. The master bedroom is a well-appointed double with plenty of space for at least a double bed and enjoys an outlook over the front of the property. The two additional bedrooms are light and airy, both benefiting from built-in cupboards and peaceful views over the rear garden. The final room on the first floor is the family bathroom, thoughtfully appointed with vinyl flooring, a tiled bath with shower over, WC, wash basin and a heated towel rail.

Outside, the south facing rear garden offers plenty of space, with a patio that wraps around the property and provides ample room for garden furniture. There is also an area of lawn and a useful garden shed. A side gate offers alternative access and leads to the driveway in front of the single garage, where there is parking for 2 cars. To the front of the property, the garden is laid to lawn and bordered by mature plants and shrubs.
