23a Beacon Hill, Herne Bay CT6 6BA

Positioned directly on the seafront at Beacon Hill, this exceptional three-bedroom detached home offers a rare opportunity to own a truly distinctive coastal property. Originally constructed in the late 19th century as a private billiard hall serving the main residence to the front, the property is discreetly tucked away with a private driveway.

The whole house was extensively remodelled by the current owners and their architects, BLINK, offering enhanced space and flexibility. Beautifully reimagined and comprehensively modernised, the home combines contemporary design with striking original architectural character. Inside, dramatic 15-foot ceilings and expansive arched windows create a sense of volume, light, and openness throughout.

At the heart of the home is a stunning open-plan kitchen and dining space, thoughtfully designed for everyday living and entertaining. Stylish finishes and carefully considered details make this a standout feature of the property.

The first floor hosts two spacious double bedrooms, each with its own luxurious en-suite bathroom and a separate utility room for added practicality. A third en-suite double bedroom on the ground floor offers flexible accommodation, ideal as a guest suite or independent living space for multi-generational use.

Council Tax Band: E
