The Green, Risby IP28 6QH

Guide Price £750,000

A pretty detached grade II listed cottage offering much improved accommodation with large gardens and views across a picturesque village green.

An outstanding Grade II Listed detached cottage of considerable character, believed to date from the early 18th century and enjoying a delightful position overlooking the green within this well-regarded village.

Originally two cottages and constructed of traditional timber frame beneath a beautiful reed-thatched roof, the property has been sympathetically enlarged over the years, most notably by a substantial extension that blends seamlessly with the original architecture and finished off with an elegant newly built orangery.

Rich in period features, the accommodation extends to approximately 1900 sq ft and offers a wonderful balance of historic charm and practical living. A welcoming thatched porch opens into a generous farmhouse-style kitchen/breakfast room, fitted with bespoke cabinetry and centred around a wood-burning stove, creating a warm and sociable heart to the home. Beyond lies an impressive dual-aspect sitting room with French doors opening onto the fabulous newly built orangery enjoying stunning views of the gardens, whilst the dining room is particularly atmospheric, displaying exposed timbers and a magnificent inglenook fireplace. A utility room, porch and shower room add practicality and complete the ground floor accommodation.

The first floor is accessed via two staircases and comprises four bedrooms and a family bathroom. The principal bedroom is especially charming, with exposed beams and dormer windows overlooking the surrounding gardens. The remaining bedrooms offer flexibility for family life, guests or home working, with one smaller room.

Outside

The cottage is approached along two separate driveways providing ample vehicle parking and access to a more recently built detached garage with gym/studio. Mature gardens wrap around the home and provide a secluded setting, with areas of lawn, established trees and colourful planting creating interest throughout the seasons. The rear garden enjoys a high degree of privacy and offers an ideal setting for entertaining or simply enjoying the peaceful surroundings.

Location

The cottage enjoys probably one of the best settings within the village, affording views across the village green.
