VILLAGE & COUNTRY HOMES

White Post Cottage Mansfield Road Farnsfield NG22 8HX Offers over £595,000 Freehold

Set on the outskirts of the highly regarded village of Farnsfield, this substantial five/six bedroom, detached residence occupies a generous plot of approximately 0.65 acres and presents a rare opportunity for transformation. Now requiring refurbishment throughout, the property offers a blank canvas for those seeking to create a bespoke family home in a convenient, semi-rural setting. Equally, the scale of the plot and existing footprint, provide clear potential for redevelopment or reconfiguration, subject to the necessary planning consents.

The existing accommodation is complemented by an excellent selection of outbuildings, including stables, tack rooms, and two garages—making it particularly attractive for equestrian use, lifestyle buyers, or those looking to maximise the site's future value. Accessed via an in-and-out driveway, the property enjoys a strong sense of arrival and flexibility, with ample parking and circulation space. Opportunities of this nature—combining location, land, and genuine scope—are increasingly rare. Whether you are an individual looking to create a long-term home, or a developer seeking a rewarding project, this is a property with significant upside and undeniable potential. Viewing appointments now being booked, subject to buyer status.

Farnsfield is a most sought after rural village with superb facilities and amenities for all ages. There are two excellent pubs, pizza restaurant and French bistro, plus tea rooms, butchers, hairdressers, co-op supermarket, pharmacy and doctors surgery. For the more energetic there's also the tennis, cricket and bowls club and a plethora of countryside walks including the Southwell Trail nature reserve.
