THE PROPERTY

The ground floor welcomes you with a long, light filled entrance hall featuring a WC, an attractive staircase rising to the upper floors, and a courtesy door providing internal access to the double garage.

Doors lead to the utility room, kitchen and the principal living room. The well appointed kitchen boasts extensive worktop space, a built in breakfast table, a wide range of units and integrated appliances. From here, a door opens into the dining area, which comfortably accommodates a large family table and flows seamlessly through archways into the living room and conservatory. This impressive open plan space enjoys panoramic views over the rear garden, creating an ideal setting for both everyday living and entertaining.

On the first floor, a spacious landing provides access to four bedrooms and the family bathroom. The exceptionally large principal bedroom sits to the front of the property, complemented by two further double bedrooms and a generous single bedroom, offering flexibility for family life or home working.

Stairs rise to the second floor, where the sense of space continues. Here you will find two substantial double bedrooms, each benefiting from their own en-suite bathroom, making this level perfect for guests, older children or multigenerational living.

Externally, the property is screened from the road by mature trees, enhancing its privacy. A large block-paved driveway provides ample off road parking and leads to the double garage. The rear garden is private and arranged over two tiers, offering great potential and versatile outdoor space for relaxation and entertaining.

LOCATION

Northampton is a large market town 67 miles northwest of London. One of the UK's largest towns without city status, it used to be the centre of the shoemaking industry and whilst Church's and Trickers survive, the majority of factories have since been converted into accommodation or offices. The town centre has a variety of pubs, bars, restaurants, shops and businesses predominantly located on The Drapery, Abington Street, Gold Street, Market Square or in the Grosvenor Centre. There are also two theatres (Royal & Derngate) and a cinema/leisure complex. Just east of the town centre is the district of Cliftonville, predominantly focused on medical practitioners and the site of the general hospital as well as the privately run St Andrews and Three Shires. In the opposite direction in an area known locally as Castle Hill, the mainline train station operates services to both London Euston and Birmingham New Street. For road travel, Northampton has the A45 and A43 ring roads right on its doorstep plus access to three junctions of the M1 (15, 15a & 16).
