Seaview is an attractive, detached property made up of two well proportioned, self contained flats, each offering around 770 square feet of bright and comfortable living space. Set in a beautiful spot just outside Kirkwall, the property enjoys peace and quiet while remaining close to all local amenities, along with truly stunning views across to the North Isles.

The lower flat has its own main door and a welcoming entrance hallway. Inside, there is a bright living and dining room with windows on two sides and breathtaking views. The kitchen also looks out to the sea and is complimented by a useful utility room. Two double bedrooms and a shower room complete the accommodation.

The upper flat is reached by an external staircase and a hallway leads to a spacious, light filled kitchen, living and dining area with windows on three sides. Double doors lead to a Juliette balcony, providing a wonderful place to enjoy the far reaching sea views. There are two generous double bedrooms, a modern shower room and two walk in storage rooms, one of which has a Velux window and could work well as a home office.

Both flats are currently let and provide a steady income. Each has its own separate title deed, giving flexibility for future use. With parking spaces and an exceptional setting, this property could suit a range of options, from a permanent home to long term or holiday letting.
