

4 Highlands Close, Corsham, SN13 0LA

£520,000

A four-bedroom detached family home, situated in a cul-de-sac position on the outskirts of the historic town of Corsham, offering spacious and versatile accommodation, a good-sized rear garden, ample off-road parking and excellent access to Bath, Chippenham and the M4. Offered for sale with NO ONWARD CHAIN. From the front, a paved driveway provides off-road parking, while to the rear is a particularly good-sized garden, laid predominantly to lawn and offering plenty of space for children and outdoor entertaining. The accommodation offers a good degree of flexibility, the fourth bedroom has been divided to create a bedroom together with a separate study/snug area, making this an ideal arrangement for those working from home, families with children or anyone requiring additional living space. Further versatility can be found with the garage, which has been divided to provide a useful utility area and additional storage. This could readily be converted back, if required, to reinstate the double garage, subject to the necessary works. The property therefore offers a superb combination of family accommodation, flexibility and outside space, with further potential to adapt the layout to suit individual requirements.
