19 Blackwater Road, Newport

£235,000

This handsome semi detached home is set above the road, conveniently positioned for the amenities of Newport; the cycle path; local schools and buses. Being elevated gives it the advantage of a rather lovely, leafy outlook to the front and rear, providing a rural feel in an urban setting. The home is beautifully styled and wonderfully light, with a comfortable sitting room to the front of the home and a gorgeous open plan kitchen/dining room which spans the width of the home to the rear. The downstairs is completed by the clever addition of an understairs cloakroom. On the first floor, there are two very pretty double bedrooms and a third good sized single bedroom, all serviced by the chic bathroom.

The large rear garden has areas of patio and lawn, with a good variety of shrubs and trees, as well as a shed and open store to the rear. Parking can be found in the layby on the road, which although not guaranteed, usually provides parking without any issues.

I was really taken with this home - it has a wonderfully welcoming feel to it and it will make a great family home in a convenient position. FREEHOLD. Council Tax Band C. EPC C-70
