COUNTRY

This generous plot of land for development is surrounded by picturesque rolling fields, woodland and meadows. A private drive provides access from the road through woodland down to the site, which is sheltered by woodland on one side and enjoys south facing views across its own land and surrounding countryside.

Plans have been developed for a bespoke modern home, set into the hillside with an ultra-low visual impact that is sympathetic to the natural surroundings. The home will feature an unassuming front elevation, while to the rear there will be sweeping curves, sunken terracing and viewing areas with full-height windows, making the most of the stunning landscape. There are also plans for a substantial outbuilding comprising of ancillary accommodation, garaging and glasshouse and potting shed.

Planning approval reference number: RR/2017/2886/P for full plans and further details go to www.rother.gov.uk Prospective purchasers are advised that they should make their own enquiries of the local planning authority, Rother District Council.

The plot includes the potential for beautiful, landscaped gardens, green roof, kitchen garden and offers a wildflower glade, small wetlands, a pond, an abundance of wildlife and ancient semi-natural woodland which is carpeted with bluebells during Spring.

The land has mains water connection, electricity and private drainage registered in 2024.

The property is tucked away in a sought after rural position off a minor country lane nestling in the Tillingham Valley between the villages of Udimore and Peasmarsch with glorious views across undulating countryside. The nearby village of Peasmarsch offers a good range of local services including an independently owned supermarket, a primary school, two public houses and a parish church.
