Dee Atkinson & Harrison

Located on a sought after cul-de-sac in this East Yorkshire village this spacious detached bungalow will appeal to a range of purchasers. It is relatively modern but some purchasers may want to do some redecorating and an element of reconfiguration may also appeal, particularly if there isn't a need for all 4 bedrooms. There is a spacious living room, good sized kitchen that could be extended into an adjacent bedroom (subject to necessary permissions) and the master bedroom has an en suite shower room. With gas fired central heating and uPVC double glazing the accommodation in full comprises: an Entrance Hall, spacious Living Room, good sized Fitted Kitchen, 3 Double Bedrooms including one with an en suite Shower Room, a further good Single Bedroom, and a spacious 5 piece Bathroom including a separate shower. There is a good level of off street parking at the front on a gravelled driveway which leads to a single integral garage. The garage may also provide an opportunity to extend the internal accommodation (subject to necessary permissions). There is a rear garden that does sit quite a bit lower than the floor of the property and it can be accessed from the living room and kitchen by external steps.

Early viewing is highly recommended to fully appreciate all that will appeal about this property but we also offer a 360 degree tour which will provide an excellent insight in the first instance.
