

Whitmore Gardens, NW10

£1,150,000

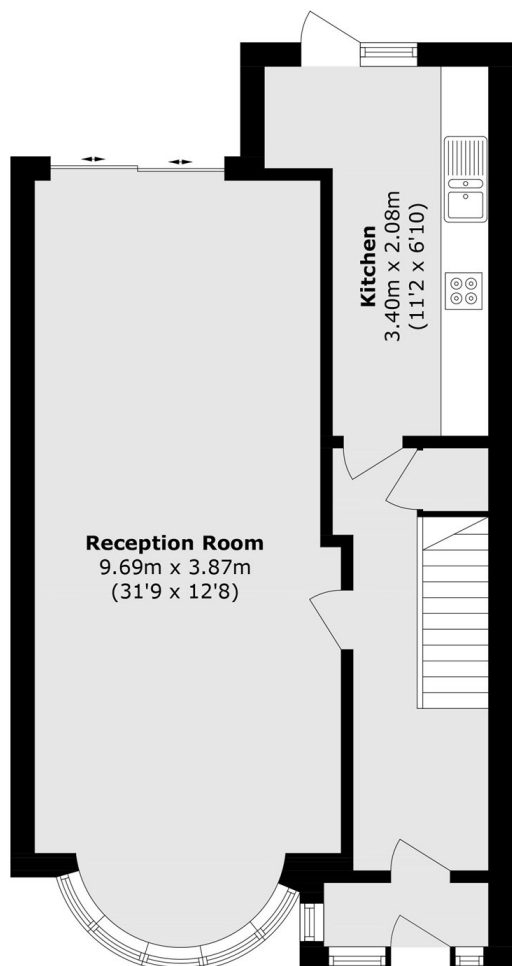

A spacious 1920s family home offering a wide entrance hall, generous double-length reception/dining room with bay window, separate kitchen, WC and useful storage, with direct access to the rear garden. Upstairs are three bedrooms and a family bathroom, with further potential to extend into the loft and to the rear, subject to planning. The property requires modernisation but offers an excellent opportunity to create a spacious four-bedroom, two-bathroom family home in a popular location.

Whitmore Gardens is ideally located close to the shops, cafés and pubs of College Road. Kensal Green (Bakerloo) and Kensal Rise (Overground) stations are both nearby, offering easy access to Central London. Queen's Park is less than a quarter of a mile away, perfect for walks and picnics. The area also offers a good choice of local nurseries and schools, including College Green Nursery, Ark Franklin and Princess Frederica's.
