Interior:

A welcoming entrance is offered via the enclosed porch, which features both wall and ceiling light points and provides direct access into the main hallway.

The central hallway includes a radiator, built-in storage cupboard with sliding doors, loft hatch access, and multiple wall light points, creating a functional and spacious thoroughfare.

The generously sized lounge benefits from dual aspect double-glazed windows that flood the room with natural light, complemented by three wall light points, a gas fireplace, and a radiator, making it a cosy yet bright living space.

The property boasts three well-proportioned bedrooms. Bedroom one enjoys dual aspect windows and is fitted with wardrobes, radiator, and ceiling light points, offering a comfortable main sleeping area. Bedroom two also features fitted wardrobes and a rear-facing double-glazed window, while bedroom three includes garden access via a rear door, ideal as a guest room or home office. The family bathroom is equipped with a corner bath with shower over, vanity wash hand basin, WC, radiator, and an obscure double-glazed window for privacy.

The kitchen is fitted with a range of wall and base units, a one and a half bowl sink with mixer tap, integrated four-ring gas hob and cooker, and enjoys natural light from a side-facing double-glazed window. It also provides access to both a pantry and the lean-to.

The lean-to extends the living space with additional storage, wall lighting, and convenient access to the front and rear gardens via external doors, along with internal doors to a separate WC and the garage.

The WC is complete with a radiator, low flush toilet, and ceiling light. The attached garage features an up-and-over door, ceiling light point, and internal window to the lean-to, offering practical utility or storage space.

Exterior:

Externally, the property offers a slabbed driveway leading to the garage and a neat front garden with a paved pathway to the entrance. To the rear, a slabbed patio area creates an ideal outdoor seating space, bordered by mature shrubbery and enclosed by boundary fencing, with rear access to the garage completing this well-maintained outdoor area.
