MICHAEL

3 Clifton Place

Brighton

BNI 3FN

Asking price £250,000

Taylor Michael are delighted to offer for sale this well-presented one-bedroom first-floor flat, ideally positioned on Clifton Place in the heart of Brighton. Offering approximately 404 sq ft / 37.5 sq m of accommodation, the property combines a central location with a modern interior and would make an excellent purchase for first-time buyers, professionals or investors looking for a conveniently located Brighton home.

The main living accommodation is arranged around a bright and welcoming open-plan kitchen and sitting room, creating a sociable and practical space for everyday living. The room has been thoughtfully arranged to provide defined areas for relaxing, dining and cooking without compromising on space. Natural light helps give the room an inviting feel, while the open-plan configuration is particularly well suited to modern city living.

The modern fitted kitchen, which was installed within the last couple of years, is a real feature of the property. Finished with contemporary cabinetry and contrasting work surfaces, it provides a good range of storage and preparation space alongside integrated appliances. A breakfast bar with stool seating creates an additional dining area and helps connect the kitchen naturally with the main living space, making it equally suited to everyday meals or entertaining.

The bedroom is a well-proportioned double room, measuring approximately 11'6 x 10'6, with sufficient space for a large wardrobe and additional bedroom furniture. Its generous proportions make it a comfortable principal bedroom rather than simply a sleeping space, while the separate layout from the main living area provides the privacy that buyers often look for in a one-bedroom apartment.

Completing the accommodation is the bathroom, fitted with a full-size bathtub with shower, WC and wash basin. Together with the separate bedroom and spacious open-plan living area, the layout makes excellent use of the available floor space and provides a practical home that should appeal both to owner-occupiers and to investors seeking a well-located property with a straightforward and desirable configuration.

Clifton Place enjoys an excellent central Brighton location, placing the city centre, seafront and the wide range of shops, cafés, restaurants and entertainment Brighton has to offer within easy reach. Its position makes the property particularly attractive for those wanting to enjoy the city on foot, while Brighton's transport connections are also conveniently accessible. For an investor, the combination of a central location, one-bedroom layout and modern kitchen provides many of the characteristics commonly sought by prospective tenants.

The property is offered leasehold with approximately 121 years remaining on the lease, providing a healthy unexpired term for prospective purchasers. The current service charge is approximately £1,200 per annum, paid in two instalments of approximately £600 in March and September, while there is no ground rent payable. With its modern interior, excellent central position and manageable size, this is an appealing opportunity for a first-time buyer looking to establish themselves in Brighton or an investor seeking a centrally located addition to their portfolio.
